

CareCentrix to Present at the 35th Annual J.P. Morgan Healthcare Conference

HARTFORD, Conn., Jan 3, 2017 — CareCentrix, an industry leader in making the home the center of patient care, will participate in the 35th Annual J.P. Morgan Healthcare Conference on Tuesday, January 10, 2017. John Driscoll, Chief Executive Officer, will present on the company's strategy and most recent progress at 4:30 p.m. Pacific Standard Time (1:30 p.m. Eastern Standard Time).

About CareCentrix

CareCentrix partners with providers and payers in the transition to value-based care with home health management solutions and services that support improved outcomes and efficient care delivery. Headquartered in Hartford, Conn., CareCentrix connects patients with the care they need at home through a national network of over 8,000 credentialed provider locations. CareCentrix provides optimal access to quality home care for more than 23 million lives by connecting providers with patients and helping them navigate the complex home care system. CareCentrix's extensive range of services provides support and coordination for patients and their families in every step of the healing process, including home health, durable medical equipment (DME), home infusion, sleep management and care management services, which ultimately improve care transitions and reduce unnecessary readmissions and emergency room visits.
